BIDS ARE NOT REQUIRED

INSTRUCTIONS: If you have cash you intend to use towards construction, we require it to be spent before the construction loan can start. Please enter these amounts in Column B. All costs to finish construction will be funded from the loan. Please enter these amounts in column D. Upon the completion of a category, the remaining balance will be transferred to the Miscellaneos Category for other construction costs.

HOW TO ORDER DRAWS: Construction draw requests are sent to draws@ownerbuilderloans.com or by calling (800) 543-5600, extension 102. You may order as many draws as you like and there are no check fees. Draws are usually disbursed within the next business day.

CATEGORY	(A) Suggested % of the subtotal of construction costs. Actual %'s will vary.	(B) Enter an amount next to the catergory to be paid or has been paid with your own cash.	(C) Check the category where you are using your own labor.	(D) Enter an amount next to the category to be paid from the loan.
